EMT Recertification Policy and Procedures (2 Year Certification)

PURPOSE: To establish standard requirements to be met by all applicants seeking to become recertified and authorized to practice Emergency Medical Services at the Emergency Medical Technician Level in West Virginia. EMT's shall have the ability to recertify utilizing one of two methods: National Registry or State Recertification.

POLICY: To ensure consistent standards and procedures for recertifying as an Emergency Medical Technician (EMT) in West Virginia.

PROCEDURE/REQUIREMENTS:

- A.** Submit a current complete online application to WVOEMS between April 1 and September 30 prior to the end of the applicant's certification period. Online application available at www.wvoems.org. The application deadline is 90 days prior to expiration. Example: expire Dec. 31 must submit by Sept. 30.
1. Submit the appropriate fees as required in WV §64 CSR 48-6.9.
 2. Continuously meet all requirements for EMS personnel as described in WV §64 CSR 48.
 3. Disclose any limitation or exclusion by any EMS agency, EMS Medical Director, or any other healthcare profession certification or licensing authority in any state, territory, or the U.S. Military Services.

EMT Recertification Policy and Procedures (2 Year Certification)

- B. 28 Hour Recertification Course** – providers must submit an **EMT Recertification Continuing Education Record** documenting completion of a WVOEMS approved refresher class consisting of the following hours:

Category	Hours
Preparatory	1
Airway	3
Patient Assessment	4
Pharmacology	1
Medical	4
Trauma	4
Obstetrics/Pediatrics	2
Geriatric	4
Documentation	1
Practical Skills	4
Total	28

- C.** Complete an **EMT Recertification Skills Evaluation Record** documenting successful completion of required skills.
- D. Evaluation** - Complete an Education Determinate Evaluation approved by WVOEMS. A passing score of 70% shall be required for recertification. Applicants shall have three (3) attempts to obtain a passing score of 70% at which point, they will be required to repeat the 28 hour refresher course prior to retesting one (1) time. After this forth attempt the candidate will be required to repeat the EMT program.
- E. Additional Continuing Education** - providers must submit a **EMT Recertification Continuing Education Record** documenting additional continuing education in addition to possessing a current CPR card. These classes will only be counted for the number of hours listed per recertification period. (Example: you cannot take multiple MCI classes and count the additional hours.)

EMT Recertification Policy and Procedures (2 Year Certification)

1. State and Federal mandates require the following included as part of the 24 additional CE hours:
 - a. Haz Mat awareness meeting OSHA 1910.120 or higher standards annually.
 - b. WVOEMS BLS Protocol review totaling **4 hours** per recertification period.
 - c. MCI or Disaster Management related training to include mass casualty drills totaling a minimum of **2 hours** per recertification period. Any additional hours may be applied to required CE.
 - d. Successfully complete an approved CPR Training/refresher course meeting WV §64 CSR 48-6.8.a.4. Applicant must show proof of a current valid certification.
2. Additional continuing education may be acquired through in squad training, EMS conferences, rescue courses related to EMS, law enforcement courses related to EMS, approved online courses, and BLS alphabet courses. Verification of course completion may be by Educational Institute or TSN representative signature, submission of certificate of completion, submission of certification card, copy of your education history from an approved WVOEMS database, college transcript, CIS entry, or other approved method.
3. Refer to the WVOEMS EMS Education Approval Policy and Procedures document that outlines the process for submission and approval of educational opportunities.
4. A maximum of twelve (12) CE hours will be applied from any one topic area related to EMS. (Example: EMS related Rescue or Law Enforcement classes)

EMT Recertification Policy and Procedures (2 Year Certification)

5. College courses:

- a. A maximum of twelve (12) hours may be applied to this section for successful completion if the following topics:
 - i. Anatomy
 - ii. Cellular Biology
 - iii. Communications
 - iv. Chemistry
 - v. Microbiology
 - vi. Pharmacology
 - vii. Psychology
 - viii. Sociology
- b. Coursework must be completed during the certification period.
- c. Documentation must be an official college transcript.
- d. One (1) college credit will equal eight (8) hours CE not to exceed twelve (12) hours per topic.

F. On-Line Courses – On-line education is allowed under the following guidelines:

1. On-line courses must be pre-approved by WVOEMS.
2. WVOEMS will enter these programs as Category 1 (pre-approved) in CIS.
3. On-line education may account for up to 50% of the required education.

G. National Registry OPTION: EMTs may also recertify utilizing National Registry in the following manner:

1. Complete all requirements for recertification outlined by National Registry.
2. Submit a copy of your National Registry card to WVOEMS.
3. Complete the requirements of sections **A**, **C**, **D** and **E** of this policy.

EMT Recertification Policy and Procedures (2 Year Certification)

- H. Lapse in Certification** - EMTs that do not maintain a valid certification shall have a period of two years after expiration to recertify their EMT certification. Once meeting the requirements of this policy to recertify, the EMT shall be issued a card valid through the remainder of the normal certification period. (Example: An EMT that has been expired for 18 months and has now met the requirements for recertification, will receive a valid card for the remainder of the normal certification period which would be 6 months.)
1. In cases where a lapse in certification has occurred and there is no background check on file with WVOEMS, the applicant will be required to apply for and be cleared by the State and National background checks for WVOEMS as required in WV §16- 4C-8.1.1

This policy replaces all previous policies for EMT recertification.
