Please indicate **WVOEMS Minimum Medication and Equipment Supply List 01/01/2022** in the subject line.

9.1.2.b. Whenever any changes in protocol, medication and procedure, scope of practice, or policy and procedure as authorized in paragraph 9.1.2.a. are proposed, a notice of the proposal will be electronically mailed to each EMS Agency and the full text of proposed changes in protocol, medication and procedure, scope of practice, or policy and procedure, will be published on the OEMS website. Notice of the proposed changes in protocol, medication and procedure, scope of practice, or policy and procedure as authorized in paragraph 9.1.2.a., is subject to a 30-day public comment period prior to their being effective. However, the MPCC may waive the public comment period when it finds that exigent circumstances exist and that the proposed changes in protocol, medication and procedure, scope of practice, or policy and procedure must be implemented immediately to ensure patient safety.
